## 1 Interview

1986

## 2 Curriculum Vitae

- Born 6.10.1926
- Married with Hanne-Lore Cohrs, 8.11. 1958
- 4 children, 9 grandchildren

### Education and Activity

- 1949/1955 Study of medicine (University of Göttingen and Hamburg, Germany)
- 1955 R.Neth und G.Schwarting: "**Das Verhalten der Koronarsklerose in der Nachkriegszeit**", Dtsch.med.Wschr. 80,570-573 (1955)
- 1956 Promotion, University of Hamburg
- 1955/1956 Fellow in Biochemistry, Physiological Chemical Institute, University Göttingen
- 1956/1957 Research Fellow, Max-Planck-Institut für Experimentelle Medizin, Göttingen, Karl Thomas, Histochemisches Labor Friedrich Timm
- 1958/1959 Fellow in Medicine ( Hematology), AK St.Georg, Hamburg
- 1960/1982 Children Hospital, University of Hamburg, Karl Schäfer
  - 1 year as visiting scientist , Max Planck Institut [Heinrich Matthaei](#) ,Göttingen,

- visiting scientist USA National Cancer Institute with [Robert Gallo](#) and Columbia University, Institute of Cancer Research with [Sol Spiegelmann](#)
- 1967 Specialist in Pediatrics
- 1967 Cold Spring Harbor Symp.Quant.Biol. **"The Genetic Code"** 31, 225-38 (1967)
- 1968 Venia Legendi, Zellfreie Teilsysteme der Proteinsynthese
- 1970 Cold Spring Harbor Symp. Quant. Biol. **"The Mechanism of Protein Synthesis"** 34, 369-375 (1970)
- 1970 **"Catalysis of Peptidyl Transfer by human Tonsil Ribosomes and Effects of some Antibiotics"** FEBS Letters 8, 198-202 (1970)
- 1972 Professor at the Children Hospital, University of Hamburg
- 1982 / 1992 Department Clinical Chemistry, University Hamburg
- 1992 Retirement

Sciencetransfer with social awareness

- 1973 -1990 Wilsede Meetings "Modern Trends in Human Leukemia"
- 1992 - 1998 Visiting Professor [Gomel/Belarus](#), [Tschernobyl Help](#)
- 1999 - 2009 [Radioactivity and Leukemia](#)
- 2002 - 2009 Internet Portal [science-connections](#)

Prize

- 1966 Dr.Martini Preis  
**"Die diagnostische Bedeutung cyto- und mikrochemischer Eisenstoffwechseluntersuchungen"** Klin.Wschr. 44, 687-695 (1966)

### 3 Publications

- [PubMed](#)

Books

- Modern Trends in Human Leukemia I Gruner + Stratton, J.F.Lehmannverlag 1974, II-IX 1976-1992, Springerverlag in [science-connections.com](#)
- [Blutbild und Urinstatus, Springer Verlag 1979](#)
